

Details Support for Sordi

To the Editor:

We write this letter in support of Trooper Stephen Sordi. Trooper Sordi has been a big part of our lives over the past four years as an adviser of our State Police Explorer Troop Post #074. On a weekly basis, he has taught us key values, such as honesty, integrity, responsibility.

Trooper Sordi understands commitment and has been there to guide us and help us learn. He is always giving his time to work with us whether it is a weekly meeting, community service event or week-long summer academy.

His constant support has made a difference in many of our lives. He is approachable, respectful and level headed and takes great interest in the things he chooses to get involved.

As many of us have begun preparation for a career in law enforcement, we continuously turn to Trooper Sordi for support. We find it appropriate to give him the support he deserves.

Trooper Sordi has offered to make the commitment to the communities of Woodbury and Bethlehem by representing them on the Board of Education. Vote for him on June 7 and allow him to make a difference the way he has for us.
